Adopter Members of WiTECK are an important part of the WiTECK community. The Adopter Membership class allows a Member to participate in the ongoing technical work and to get access to important information that helps to apply the WiTECK products. To facilitate this Adopter Members have certain rights and duties.

1 Meeting access

The Adopter Member has the right to attend all technical meetings and to participate in the discussions in these meetings. The right to vote is limited to Promoter Members.

2 Mailing lists

The Adopter Member can subscribe to certain WiTECK mailing lists. This allows access to participation on appropriate email lists that are technical and general membership oriented.

3 Defect tracking

The Adopter Member has access to the WiTECK defect tracking system. This allows submitting defects to track those defects and to receive direct feedback on these bugs as appropriate.

4 Source Code Access

The Adopter Member gets access to the API source code of the WiTECK products to simplify the integration of the WiTECK product that is licensed separately through a licensing agent.

5 Discount

The Adopter Member receives a discount on WiTECK Development Platforms.

6 FAQ platform

The Adopter Member gets access to the WiTECK internal FAQ platform.

7 Logo

The Adopter Member gets the right to use WiTECK logo to the same extent as a Promoter Member.

8 Duties

The Adopter Member must accept the IPR policy along with the bylaws and other Regulations as introduced by the Board of Directors.
